

FROZEN TREATS

MADE YOUR WAY

A JOURNEY OF CREATING PREMIUM AND SUPERIOR QUALITY SNACKS

When great consistent taste meets convenience, your success is guaranteed! In the food business, smart choices make all the difference. Backed by six decades of experience in potato farming, HyFun has emerged as one of the largest producers of high-quality frozen food. Today, some of the largest global brands trust HyFun.

SEED-TO-SHELF

Our unwavering passion is to deliver international quality food. To make it happen, we look after everything in-house, from procuring seeds to farming, storing to processing potatoes, and finally delivering the best ready-to-cook frozen snacks.

HyFun's Seed Multiplication Program
ensuring good control over seed quality

Contract Farming Model
supplying quality seeds and agronomy services to our growers

Advanced High-Tech Cold Storages
ensuring raw potatoes are stored at their best until processed

Extensive Supply Chain
providing last mile connectivity ensuring cold chain is maintained right up to the shelf

State-of-the-art Processing Plant
where products are manufactured as per global standards

BEST FOR YOUR BUSINESS
